What we need for the EKC center

# ICOM

# What stood out the most for you?

Network sharing making trust

New experience, friendship and network

Interactive

Business model canvas and design thinking for entrepreneurship is excellent.

Stronger tie of net work and freindship

Thank you for the hospitality, FH!

Relationship with all partner institutions got strengthened, reinforced..

Hackathon is very fruitful session.

Collaboration

# ICOM

# What stood out the most for you?

Design thinking was important part of solving customer problems. Knowing different partners in person. Discovering Austria

Coaching

Stronger ties and relationships

Physical training is more enhancing with two ways interactions. Cross culture relationship.

Exchange culture
